Dear Mr. Spraul,

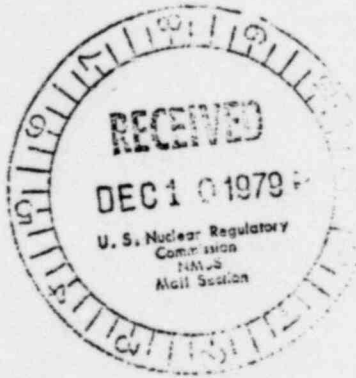

Please find included seven each copies of our QA Program as required by Appendix E, 10 CFR Part 71. We have tried to meet this requirement by using material from a USNRC letter to us dated 8-3-79, and my phone conversations with you the past several weeks.

We request that you review our program and advise us as to the status of our program. We also wish to thank you for your aid in helping us to meet the requirements of Appendix E.

Very truly,

Colby-Thielmeier Testing Co., Inc.
