NRC STAFF'S RESPONSE TO STATE OF ILLINOIS' "MOTION FOR EXTENSION OF TIME IN WHICH TO FILE RESPONSE TO BOARD ORDER"

On December 10, 1979, the State of Illinois moved the Licensing Board for a two-week extension of time to respond to the Board's Order requiring information on intergranular stress corrosion cracking. Both Applicant and the NRC Staff had previously been granted extensions of time to file responses addressing this issue. As those responses are essential to the State of Illinois' response, the NRC Staff does not oppose the requested extension of time to respond until December 28, 1979.

Respectfully submitted,

Richard J. Goddard
Counsel for NRC Staff

Dated at Bethesda, Maryland
