Attention: Mr. J.T. Sutherland  
Chief Fuel Facility and Materials Safety Branch

Reference: Letter dated 11-14-79 relative to inspection of our facilities  
and infractions.

Dear Mr. Sutherland:

In reference to your letter stated above, we would like to assure  
you that any records or procedures that were viewed at the time of inspection  
as being insufficient have been corrected and are up-to-date. A discussion of  
activities relative to each item listed on your "notice of violation" sheet  
follows:

- A. Pocket dosimeters are read daily and recorded as specified in  
regulations.
- B. Copies of operating procedures have been posted and are available  
for review.
- C. Records relative to surveys to assure sealed source is in its  
shielded positions prior to securing the exposure device have  
been kept and are up-to-date.

Should you have any further comments, kindly advise.

Sincerely

TEXAS PIPE BENDING CO. OF P.R.
