Mr. James P. O'Reilly
Director, USNRC
101 Marietta St., N.W. Suite 3100
Atlanta, Georgia 30303

Dear Sir:

This is in response to IE Bulletin 79-19 "Packaging of low-level Radioactive Waste for Transport and Burial".

Due to the type of my NRC Licence No. 52-17420-01 for Leak Testing, no-radioactive waste is generated which can be transferred and/or shipped to one of the three waste burial facilities located in the USA main land.

Cordially yours,

Santiago Gomez Figueroa
