Mr. Boyce H. Grier, Director  
U.S. Nuclear Regulatory Commission  
Region 1  
631 Park Avenue  
King of Prussia, PA 19406

Dear Mr. Grier:

Regarding your correspondence of November 1, this school does not have any activity or program which results in the need to package "Low-Level Radioactive Waste for Transport and Burial." Consequently, no action relative to Bulletin No. 79-19 has been taken.

Sincerely,

  
Peter T. Donase  
Building Principal
