Gentlemen:

This is in response to your letter dated November 7, 1979 concerning the items of non-compliance found during the inspection of our facilities by Mr. R. L. Hague on October 24, 1979. The items of non-compliance have been corrected as follows:

- 1) The enclosed form entitled "Receipt Survey for By-Product Materials" will be completed for each shipment received and kept on file with the shipping documents.
- 2) The enclosed form entitled "Isotope Quarterly Inventory" will become a part of our quarterly inspection and inventory forms, and will be used to inventory sealed sources.

If you have any questions or need any additional information, please contact me at your convenience.

Sincerely yours,
