Dear Sirs:

In response to Bulletin 79-19, this is to inform you that we do not generate any low level radioactive materials at this facility.

All of our materials are obtained and transported to and from the hospital by Pharmaco Nuclear, Inc., 10900 Carnegie; Cleveland, Ohio 44106.

If any further information is needed, please contact me.

Sincerely,
Linda W. Smith R.T.
Linda Smith, R. T.
Chief X-Ray Technologist
