UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

December 27, 1979

MEMORANDUM TO THE FILE

SUBJECT: PROPOSED EXPORT OF SOURCE MATERIAL TO JAPAN (XU08481)

Because of the urgent requirement of the fuel rods by the customer, this license was issued without the customary 15-day waiting period before a license is issued.

A handwritten signature in black ink, appearing to read "Marvin R. Peterson".

Marvin R. Peterson
Acting Assistant Director
Export/Import and International
Safeguards
Office of International Programs
