

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555

January 11, 1980

Rick W. Roll  
P. O. Box No. 1  
Oceanside, OR 97134

In the Matter of  
Portland General Electric Company, et al.  
(Trojan Nuclear Plant)  
Docket No. 50-344 (Control Building)

Dear Mr. Roll:

By letter dated December 27, 1979 to the Secretary of the Nuclear Regulatory Commission, you expressed your views on the resumption of operation of the Trojan Nuclear Plant in Oregon. In your letter, you also asked to be advised as to the procedure by which you could make a written limited appearance statement.

In this latter regard, 10 CFR § 2.715(a) of the NRC's Rules of Practice provides for the submission of oral or written limited appearance statements. While that regulation specifies that such statements may be received in the discretion of the presiding officer of the Atomic Safety and Licensing Board, Marshall Miller, Chairman of the presiding Licensing Board in the referenced proceeding, has indicated that written limited appearance statements would be accepted by the Licensing Board at any time. Your written statement should be addressed to:

Marshall E. Miller, Chairman  
Atomic Safety and Licensing Board  
U.S. Nuclear Regulatory Commission  
Washington, DC 20555

Copies of the statement should also be sent to the other licensing Board members as follows:

Dr. Kenneth A. McCollum, Dean  
Division of Engineering, Architecture  
and Technology  
Oklahoma State University  
Stillwater, OK 74074

Dr. Hugh C. Paxton  
1229 - 41st Street  
Los Alamos, NM 87544

and to the Secretary, U.S. Nuclear Regulatory Commission, Washington, DC 20555.

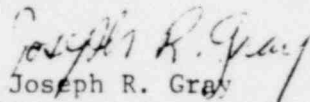

1763 242

8001170530

The Licensing Board has also indicated that a time will be set aside for the presentation of oral limited appearance statements by members of the public. Notice will be given as to the date and place for such limited appearances.

Any limited appearance statements, whether oral or written, received by the Licensing Board will be made a part of the record in the referenced proceeding and will be read and considered by the Board. They will not be treated as evidence by the Board, however.

Sincerely,

  
Joseph R. Gray  
Counsel for NRC Staff
