BRIEF PROJECT TITLE AND WORK DESCRIPTION

(a) The title of this project is: SAP BusinessObjects Maintenance & Support service renewal for NMSS

(b) Summary work description:

The Contractor shall provide the following SAP Business Objects maintenance and support.

Part Number	Description	Qty	Unit Price	Total Price
7007381	SAP BusObj Ent.Prof. f. Ent.Rep. (CPU)	3		
7008442	SAP BusObj Mtce Fee Enterprise Support	1		
	TOTAL			\$34,260.94

Brand Name Justification:

The SAP maintenance and support listed above are renewals for the SAP BusinessObjects already in use within Integrated Source Management Portfolio (ISMP) at the NRC. Therefore, this acquisition is limited to SAP products. Acquiring another brand of maintenance and support would void the existing SAP BusinessObjects. The licenses, certificates, letters and reports generated within ISMP are created by SAP BusinessObjects. Without SAP BusinessObjects, the automatic document generation in ISMP would stop functioning. To switch to another document generation tool would require extensive code changes, take months to complete and require staff training. The overall cost from switching to another tool would be many times greater than the actual SAP BusinessObjects cost.

The individual registering in FedConnect® must have authority to bind the vendor/contractor. There is no charge for using FedConnect®. This means that unless provided in a contract document or specifically authorized by the contracting officer, NRC technical personnel may not issue contract modifications, give formal contractual commitments, or otherwise bind, commit, or obligate the NRC contractually. Informal unauthorized commitments, which do not obligate the NRC and do not entitle the contractor to payment, may include:

- (1) Encouraging a potential contractor to incur costs prior to receiving a contract;
- (2) Requesting or requiring a contractor to make changes under a contract without formal contract modifications;
- (3) Encouraging a contractor to incur costs under a cost-reimbursable contract in excess of those costs contractually allowable; and
- (4) Committing the Government to a course of action with regard to a potential contract, contract change, claim, or dispute.
