Re: Freedom of Information Act Request

To Whom It May Concern:

This is a request, pursuant to the Freedom of Information Act (FOIA), 5 USC 522(a), as amended, for all documents (including but not limited to: correspondence, letters, memoranda, notices, inter-agency or intra-agency communications with TVA, electronic mail or messages, policies, procedures, studies, surveys, meeting minutes or agendas, fact sheets, summaries, notes, notes of telephone communications, etc.) reflecting, discussing, or relating in any way to:

Tennessee Valley Authority's (TVA) "integrated action plan" (Plan) to change the structure of its Employee Concerns Program, which it claims to have discussed "in detail" with the Nuclear Regulatory Commission (NRC);

And all documents reflecting or regarding any discussions between the NRC and TVA regarding the Plan and/or changes to TVA's Employee Concerns Program, including the displacement of all ECP professionals.

This request includes all agency records, whether they currently exist in the official "working" files, or at any other location. For any documents or portions of documents that you deny due to a specific FOIA exemption, please provide an index itemizing and describing the documents or portions of documents withheld. The index should provide a detailed justification of your grounds for claiming each exemption, explaining why each exemption is relevant to the document or portion of the document withheld.

Thank you for your attention to this request. We agree to pay any reasonable fees associated with processing this request. Please let us know in advance if such costs will exceed \$50.00.

We anticipate a complete or partial response to this request within 20 working days, as required by the FOIA.

Sincerely,

Billie P. Garde
