Dear Mr. Waldron:

I am forwarding for your information and use a copy of license application Amendment No. 4 filed by Jersey Central Power & Light Company for the proposed Oyster Creek Nuclear Station Unit 2 reactor.

The amendment consists of Volume 4 to the Preliminary Safety Analysis Report and contains answers to questions raised in the Commission's letter of September 19, 1968, together with revised pages for the PSAR.

Sincerely yours,

Original signed by
Robert L. Tedesco
