OFFICE OF THE
CHAIRMAN

MEMORANDUM FOR: Doris F. Mossburg
Office of Nuclear Reactor Regulation

FROM: Joseph M. Hendrie
Chairman

SUBJECT: MEMORANDUM OF APPRECIATION

I want to add my personal endorsement to Harold Denton's memorandum of April 13th on your superb performance of duty at Three-Mile Island.

Your willingness to travel to the site and then remain for an extended period entailed both personal sacrifice and true dedication to duty. I had the opportunity to observe your organizational talents at first hand during my visits and know the extent of your accomplishments in establishing the NRC base of operations. They were indeed exceptional.

Your contributions to the NRC efforts at Three Mile Island are very much appreciated.
