Lt. Colonel Myron D. Snoks, Director
U. S. Army Coastal Engineering Research
Center
5201 Little Falls Road, N. W.
Washington, D. C. 20016

Dear Colonel Snoks:

I am forwarding for your information a copy of license
application Amendment No. 2 filed by Jersey Central
Power & Light Company, relating to the proposed Oyster
Creek Nuclear Station Unit 2.

The amendment consists of (1) revised pages for Section 5
of the Preliminary Safety Analysis Report with Appendices
5H through 5K, and (2) errata sheets for the Preliminary
Safety Analysis Report.

Sincerely yours,

Original signed by
Robert L. Tedesco

Roger S. Boyd, Assistant Director
for Reactor Projects
Division of Reactor Licensing
