Dear Sir:

Three Mile Island Nuclear Station, Unit 2 (TMI-2)
Operating License No. DPR-73
Docket No. 50-320

As was discussed at the meeting held at the TMI Observation Center on April 10, 1979, please be advised that prior to returning to power operation at TMI-2;

- 1) NRC I&E Bulletins which are applicable to TMI-2, and are issued following March 28, 1979 but prior to TMI-2 return to power operation, will be properly addressed.
- 2) NRC I&E Circulars and Information Notices which are applicable to TMI-2 and are issued following March 28, 1979 but prior to TMI-2 return to power operation, will be properly reviewed and distributed.

Sincerely,

Original signed/
