TSG-076

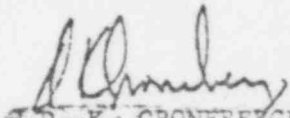

Subject TMI-2 MODIFICATIONS TO PROVIDE DIESEL
GENERATORS FOR BOP BUSES - TERMINOLOGY

To W. R. COBEAN

Location

Both the NRC and myself are concerned with the designation of one of the new diesel generator sets as the "blue diesel" because of the potential for confusion with the existing Class 1E Blue Division.

Therefore, please request that all personnel and documents refer to this diesel as "Gray" in the future.
