Dear Sir:

Three Mile Island Nuclear Station, Unit 2 (TMI-2)  
Operating License No. DFR-73  
Docket No. 50-320  
Technical Specification Change Request No. 16

The subject Technical Specification Change Request concerning Auxiliary Transformer operation at TMI-2 (GQL 1778) was mailed 11-8-78, however, the review fee was inadvertently not included.

Technical Specification Change Request No. 16 involves a single safety issue and is therefore a Class II License Amendment (per 10 CFR 170.22), and the appropriate remittance is \$4,000.00.

Enclosed please find a check in the amount of \$4,000.00. This check is the remittance required for your review of Technical Specification Change Request No. 16. Please add this check to your file on our Technical Specification Change Request No. 16.

Sincerely,

J. G. Herbein  
Vice President-Generation
