Dear Mr. Gossick:

Enclosed are eight copies of an agreement, signed by me and by the New York Commissioner of Environmental Conservation, requiring our two state agencies to prepare portions of the federal environmental impact statements pertaining to the joint application of New York State Electric & Gas Corporation and Long Island Lighting Company to construct nuclear generating facilities in the Town of New Haven on Lake Ontario. After you have signed the agreement on behalf of the Nuclear Regulatory Commission, please return the copies you do not require to me.
