

OFFICE OF THE  
COMMISSIONER

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555

100-320

April 25, 1979

MEMORANDUM TO: Chairman Hendrie  
Commissioner Kennedy  
Commissioner Bradford  
Commissioner Ahearne

FROM: Commissioner Gilinsky *VC*

In view of the fact that it is taking us rather longer than expected to get someone from outside the NRC to head up the TMI-2 investigation, I think we need to put in place an interim NRC coordinating staff. I would propose Kevin Cornell to head it up with Steve Eilperin and Jim Cummings assisting.
