Mr. Ross Scarano  
U.S. Nuclear Regulatory Commission  
Mail Stop 905-SS  
Washington, D.C. 20555

Dear Ross:

In response to telephone requests made by your Mr. Hubert Miller and Ms. Kathy Hummel, and with the concurrence of the Colorado Department of Health, Radiation and Hazardous Waste Control Division, Pioneer Uravan, Inc., in behalf of the San Miguel Uranium/Vanadium Mill Project hereby transmits copies of our Radioactive Materials License Applications as submitted to the CDH on January 19, 1979 and April 18, 1979.

Six (6) copies of each of four volumes are enclosed as follows:

- Volume 1. Radioactive Materials License Application, San Miguel Mill Project, January 19, 1979.
- Volume 2. Environmental Report, San Miguel Mill Project, January 19, 1979.
- Volume 3. Investigation and Design Report for Proposed Mill Waste Management Facilities, San Miguel Mill Project, January 19, 1979 (Addendum to E.R.)
- Volume 4. Radioactive Material License Application, San Miguel Project Ore Buying Station, April 18, 1979.

Follow-up information, in the form of Addendum II to the RMLA, will be submitted to the CDH upon completion of data analysis from ongoing baseline monitoring program. Expected date for this submittal is August 1, 1979, at which time six (6) copies will be submitted to the NRC in conjunction with the enclosed documents.

We hope this information meets your needs, and anticipate a speedy review by the NRC with appropriate response to the CDH.

Respectfully,

R. J. Polak  
Project Manager  
San Miguel Project
