AFFIDAVIT OF ROBATEL TECHNOLOGIES, LLC  
CONCERNING CONFIDENTIAL INFORMATION AND TRADE SECRETS  
PURSUANT TO 10 CFR 2.390

Commonwealth of Virginia  
County of Roanoke

I, Dominique Sanchette, depose and say that I am duly authorized to make this affidavit and have reviewed or caused to have reviewed the information which is identified below as proprietary, confidential and/or trade secret information that should be withheld from public disclosure.

**Enclosure 1: PowerPoint Presentation, Robatel Preliminary Design for Type(B) non-fissile cask, Review of Preliminary Shielding Study, July 30, 2019. Content as identified.**

**Presentation Sections:**

**a) Slides 10 through 41**

I have personal knowledge of the criteria and procedures utilized by Robatel Technologies in designating information as a trade secret or as confidential information of a commercial or financial nature. These calculations contain unique information and methods that have been developed by Robatel Technologies, LLC for the design and engineering evaluation of transportation packages. These methods are considered confidential information that includes company trade secrets incorporated into such evaluation processes. The proprietary information submitted to the NRC contains the type of information Robatel Technologies regards as protected and of the type not to be disclosed to unauthorized persons.

The information designated here as proprietary is not available from public sources. Public disclosure of this information would cause substantial harm to the competitive position of Robatel Technologies, LLC. The company has used substantial resources and made monetary investments toward the development of a new Type B radioactive waste transportation package. Competitors of Robatel Technologies, LLC would have great difficulty in duplicating the methods developed by Robatel Technologies, LLC, due not only to the financial investment of Robatel Technologies, but also to the unique skills, talents and expertise of Robatel Technologies, LLC engineers and its trusted partners who have developed these concepts and mathematical models. Disclosure of this information would cause Robatel Technologies, LLC irreparable financial harm and loss of business associated with this and other projects similar in nature.

Respectfully,

Dominique Sanchette, CEO  
Robatel Technologies, LLC

Commonwealth of Virginia  
County of Roanoke
