NRC - to Whom It May Concern;

By contract Charleston Area Medical Center (CAMC) is responsible for the radioactive materials license as stated in 4d page 4 and 5e page 6 of the Service Agreement and contract for Charleston Area Radiation Therapy Centers, LLC. CAMC added CARTC to its Radioactive Materials license in 2014.

The Corporate Director for Imaging Services and Radiation Therapy at CAMC is responsible for all duties affiliated with radioactive licensing. As the Corporate Director Christine Oskin may sign radioactive material licensing actions as the CAMC management representative overseeing Radiation Therapy, including Radiation Therapy performed at Charleston Area Radiation Therapy Centers, LLC.
