Re: Inspection Number 30-5985/80-04

Dear Mr. Kinneman:

In response to your letter dated December 31, 1980, regarding the above referenced inspection, we offer the following:

Appendix A, Item A: Violation is admitted. This office was not notified by our Roanoke or Southern District that a change in location was forthcoming.

However, this has been corrected by request for an amendment to the licensing branch. Attached you will find a copy of this request.

Should you have any questions, please feel free to contact me.

Very truly yours,
