License No. 21-17189-01MD

Gentlemen:

This refers to the investigation conducted by Messrs. D. G. Wiedeman and J. McCarten of this office on September 24-26 and October 2-3, 1980, of activities authorized by NRC Byproduct Material License No. 21-17189-01MD. The Report setting forth the results of the investigation is enclosed.

In accordance with Section 2.790 of the NRC's, "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed inspection report will be placed in the NRC's Public Document Room, except as follows. If this report contains information that you or your contractors believe to be proprietary, you must apply in writing to this office, within twenty-five days of the date of this letter, to withhold such information from public disclosure. The application must include a full statement of the reasons for which the information is considered proprietary, and should be prepared so that the proprietary information identified in the application is contained in an enclosure to the application.

A separate letter setting forth certain matters of concern and the items of noncompliance found during this inspection has been sent from the Office of Inspection and Enforcement. Your response to those items should be made directly to that office.
