Dear Board Members: NRC PUBLIC DOCUMENT ROOM

On April 27, 1979 the NRC Staff filed a Motion for Summary Disposition in this proceeding in respect of Contentions 2(a), 2(b), 2(c) and 2(d). We strongly support this motion. However, our reading of 10 CFR §2.749(a) is that parties who do not oppose a summary disposition motion have no right to file a formal response. Accordingly, the purpose of this letter is merely to advise you of Applicant's support for the Staff and to let you know that no further response will be forthcoming from us.

Sincerely,

Philip Steptoe
