Request for additional Contingency Plan information  
(d) USNRC letter to YAEC dated July 3, 1979  
Request for licensing review fee

Dear Sir:

Subject: Additional Contingency Plan Information

Your letter, Reference (c), request additional information relative to the Yankee Rowe Security Contingency Plan. You indicated that submittal of this information was necessary to complete your review of the plan. Accordingly, we are enclosing an entire copy of the Yankee Rowe Modified Amended Security Plan. Chapter 8, the Contingency Plan, has been revised and now incorporates the necessary information addressed in your request. The changes have been identified by a vertical line in the right hand margin. In addition to these changes, and to be consistent with the other Yankee Security Plans, we have changed the title to read Yankee Rowe Security Plan.

This information is considered proprietary and shall be withheld from public disclosure pursuant with 10 CFR Section 2.790(d).

A Class III licensing review fee of \$4000.00 is enclosed in accordance with 10 CFR 170.22. This fee was requested by the Office of Administration, License Fee Management Branch in Reference (d).

Yankee Atomic Electric Company believes that the Commission's revised fee schedule is illegal, and has petitioned for review thereof to the U. S. Court of Appeals for the Fifth Circuit. Accordingly, the license fee filed herewith is submitted under protest, and without waiver of the Company's right to contend that it should be refunded in whole or in part.

We trust this revised security plan meets your requirements. Should you have further questions, please contact us.

Very truly yours,

YANKEE ATOMIC ELECTRIC COMPANY
