SUBJECT: ACCESSION LIST OF TMI-2 DOCUMENTS FOR 5/22/79 THROUGH 6/8/79

As documents continue to become available and we can process them through the Document Control System (DCS) - TERA System- we will have lists of the document titles printed for distribution to you.

Although this Title List is for three weeks, we plan on having it for you each week from now on. As the notes (No. 3) on the first page of the attached indicate, microfiche will be available here about one week after we receive the Title List. If you need hard copy sooner, see Myrna Steele (Rm. 407). Also, if you have questions or comments, please Myrna or Dick Hartfield (Rm. 422).
