IN RESPONSE REFER
TO FOIA-79-195

Dear Ms. Abel:

This is in regard to your letter dated May 30, 1979 in which you requested, pursuant to the Freedom of Information Act, documents regarding the transportation of nuclear materials through southern Illinois, and information on the Paducah, Kentucky facility and the Allied Chemical Company Plant in Metropolis, Illinois.

By letter dated June 25, 1979, I indicated that NRC had not completed its review of the remaining documents subject to your request. This, I now understand, was in error, and my June 25 letter did in fact respond to all records subject to your request.

I regret any inconvenience this may have caused you.

Sincerely,

A handwritten signature in cursive script, appearing to read "J. M. Felton".
