RE: Leak Test Performance

It is respectfully requested that a 45-day extension be granted for the performance of the requirement outlined in your letter dated 9 April 1979. The Oklahoma Health Department (Mr. Coleman Smith 405-271-5221) has not decided whether they will examine the wipe test paper or if we will be required to contract this testing.

Your cooperation will be appreciated.

Sincerely,

A handwritten signature in cursive script that reads "William R. McIntyre".
