Dear Mr. Chilk:

On Nov. 17, 1978, the Commission issued a Proposed General Statement of Policy, published in 43 FR 53869, titled "Licensing Procedures for Geologic Repositories for High-Level Radioactive Wastes." I am interested to know whether any revision, expansions, or amendments, or final policy statements, have been issued yet. If not, when may they be anticipated? If so, could you please forward a copy? Many thanks for your attention.
