Gentlemen:

In accordance with your application dated April 30, 1979, and its supplement dated May 25, 1979, and pursuant to Title 10, Code of Federal Regulations, Part 70, Materials License No. SNM-1168 is hereby amended to authorize the use of the new special nuclear material storage array and, the revision of the surface contamination action levels and survey frequencies. Accordingly, the dates of April 30 and May 25, 1979, are added to Item 9 of your license.

All other conditions of this license shall remain the same.
