United Nuclear Corporation  
ATTN: Mr. William F. Kirk  
Nuclear & Industrial Safety  
Services  
67 Sandy Desert Road  
Uncasville, Connecticut 06382

Gentlemen:

As part of an on-going effort to broaden the review capabilities of our licensing staff, I have assigned your case, effective July 9, to Mr. Charles Emeigh. Mr. Emeigh has now received your case file, and will be contacting you soon to arrange a visit to your facility.

A handwritten signature in cursive script, appearing to read "James G. Partlow".

James G. Partlow, Chief  
Material Control & Accountability  
Licensing Branch  
Division of Safeguards
