Mr. Peter Tarnoff
 Executive Secretary
 U.S. Department of State
 Washington, D.C. 20520

Dear Mr. Tarnoff:

Enclosed please find an application from Pechiney UGINE Kuhlmann Development Inc. for a license to export uranium metal to CERCA, France for use in a fuel fabrication research and development program.

Before taking action on this license application, we would appreciate your views, in accordance with established procedures and from the overall perspective of the Executive Branch, as to whether the issuance of the requested license would be inimical to the interests of the United States, including the common defense and security, and whether the proposed export meets the applicable criteria in the Atomic Energy Act as amended by the Nuclear Nonproliferation Act of 1978.

Sincerely,

Original signed by
