Dear Sir or Madam:

REC'D 6-18-79

This is a request for access to information and documents pursuant to the Freedom of Information Act, 5 U.S.C. § 552, and the U.S. Nuclear Regulatory Commission Regulations promulgated under the authority of that act, 10 C.F.R. § 9.1 et seq.

I write to request one copy each of the following materials:

All AEC (or NRC) staff reports (including studies, analyses, recommendations, and replies to public comments) concerning the promulgation of 10 C.F.R. Part 140 and any sections contained therein, and all AEC (NRC) staff reports concerning the promulgation of any amendments to 10 C.F.R. Part 140, and any sections contained therein.

I agree to pay any reasonable fees associated with processing this request up to twenty-five dollars. In the event that such fees will exceed twenty-five dollars, I request to be informed of the expected fees and the reason why they exceed that sum.

If you determine that any portions of the requested materials are exempt from disclosure, I request that you release reasonably segregable non-exempt portions. I also request, in that event, that you inform me of which exemption(s) you believe cover the withheld materials.
