Dear Sir:

NPDES Permit No. PA 0009920  
Three Mile Island Nuclear Station (TMI)

In follow-up to our letter dated May 3, 1979 and in accordance with Part III, Special Condition 1 of the subject permit, enclosed is one copy of the report entitled, "An Ecological Study of the Susquehanna River Near the Three Mile Island Nuclear Station". Sections 4.0 and 5.0 of the report deal specifically with entrainment and impingement respectively. The remaining sections of the report were prepared to meet other regulatory requirements and may be of interest to your staff.

Should you require any additional information, please contact Mr. E. S. Nielsen of my staff at 215-921-6586.

Sincerely,

  
J. F. Hilbish  
Supervisor of Licensing
