

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

TERA

May 15, 1979

MEMORANDUM FOR: Lee V. Gossick, Executive Director for Operations
FROM: Don K. Davis, Chairman, Task Force on Operational
Data Analysis and Evaluation
SUBJECT: TASK FORCE REPORT

The Task Force has completed its report on Operational Data Analysis and Evaluation. A copy of our report is attached. Each of the Task Force members supports the contents of the report and believes that implementing the recommendations in the report will substantially improve the NRC's ability to learn from operational experience.

A handwritten signature in dark ink, appearing to read "Don K. Davis".

Don K. Davis, Chairman
Task Force on Operational Data
Analysis and Evaluation
