Docket Nos. 50-498 and 50-499

Dear Mr. Duncan:

This is to confirm our telephone conversation of May 11, 1979, in which I advised you that the "NRC Staff Response to Applicant's Brief on Appeal from Prehearing Conference Ruling Upon Intervention Petitions" reflects (on p.4, footnote 1) the Staff's understanding that ACEE intends to withdraw its petition for leave to intervene. Enclosed is a copy of the Staff's response. Pursuant to your request, I have also enclosed a copy of the "Notice of Hearing" issued by the South Texas Atomic Safety and Licensing Board.

Sincerely,

*Marjorie B. Ulman*
