POOR ORIGINAL

ALL POWER REACTOR LICENSEES

Gentlemen:

In responding to our letter of June 29, 1979 in which you were asked to present information regarding your corporate management and technical capabilities to cope with events like the TMI-2 accident, you are requested to provide a total of 40 copies of your submittal. If your company owns and operates more than one reactor unit, please provide an additional 5 copies for each additional unit.

Sincerely,

Original signed by
