Docket No. 50-409

Dairyland Power Cooperative
ATTN: Mr. F. W. Linder
General Manager
2615 East Avenue - South
La Crosse, WI 54601

Gentlemen:

We have received several licensee inquiries regarding the use of the OPX (Initial Notification/Reactor Operations) system during drills. Licensees are encouraged to use the system if the drill scenario requires initial notification of the NRC; however, care should be exercised in assuring that the NRC Duty Officer is informed that such calls are drills.

Sincerely,

for 
James G. Keppler
Director
