Division of Materials and Fuel Cycle
and Material Safety
U.S. Nuclear Regulatory Commission
Washington, D. C. 20555

License No. DPR-35
Docket No. 50-293

Dear Mr. McDonald:

Boston Edison Company hereby requests to continue as a user of the following packaging for the shipment of Type B and large quantities of radioactive material:

Licensed User of Record: ATCOR, Inc.
Park Mall
Peekskill, N.Y. 10566

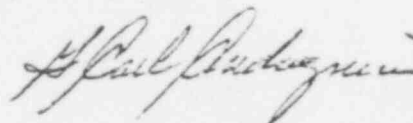

Package Identification Number: USA/6601/B()

Model Number: LL-50-100

Certificate of Compliance Number: 6601 on Docket No. 71-6601

We believe this information is sufficient to allow continuation of Boston Edison Company as a user of this packaging. If you have further questions, please contact us.

Very truly yours,

FEE EXEMPT
