Reference: Docket 71-5601

Dear Mr. MacDonald:

Pursuant to your request of May 17, 1979, we are submitting eight copies each of Drawings 1042-D-0001, Rev. B and 1042-C-0002, Rev. D which should have been submitted with our request of January 24, 1979.

The changes on these drawings reflect the as-built location of the cask and cover lifting device and do not jeopardize the safety of the package.

If you have any questions, please do not hesitate to contact us.

Sincerely,
