Gentlemen:

Thank you for your letter dated July 6, 1979, informing us of the steps taken to correct the noncompliance identified in our letter dated June 15, 1979. We will examine your corrective action during a future inspection.

Please note your response is to our notice of violation submitted as Appendix A of our inspection report. Since the Appendix A was not 2.790(d) information, your response will not be considered 2.790(d) information and will be released to the Public Document Room. The reason for the 2.790(d) information in the Details section of the inspection report is because of the additional information exempt from disclosure.

Your cooperation with us is appreciated.

Sincerely,
