Subject: Isometric Cutaway Drawing of the
NLI 10/24 Rail Cask

Dear Dick:

Charlie Williams has asked that I send to you a cutaway drawing of our NLI 10/24 Rail Cask. Attached please find an 8" X 10" glossy print of our cask. I understand that this was requested by the Australian Ionizing Radiation Council.

If there is anything more that we can provide for you, please contact us.

Very truly yours,

George L. Stukenbroeker
