TRANSNUCLEAR, INC.

June 26, 1979

Mr. George W. McCorkle, Chief
Physical Security Licensing Branch
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Mr. McCorkle:

This letter constitutes Transnuclear, Inc.'s training and qualifications plan required by 10 CFR 73.30(e).

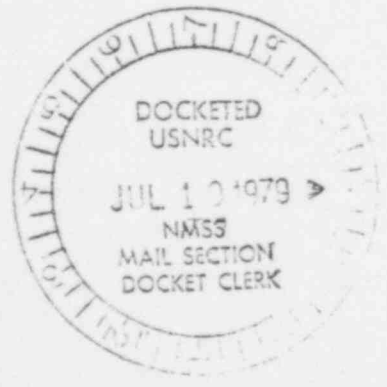

For inland United States transports and transfer points Transnuclear, Inc. will utilize the services of the Tri-State Motor Transit approved armed guards.

In rare instances when it is not possible to utilize the above mentioned guards at transfer points, Transnuclear, Inc. will utilize the services of trained police officers.

Very truly yours,

John Mangusi
General Manager
Operations
