Gentlemen:

Please reference your letters of May 24, 1979 and June 26, 1979.

An extension to July 31, 1979 has been granted to Tri-State Motor Transit Company for submitting a training and qualification plan in accordance with 10 CFR Part 73.30(e).

Pending approval of the Tri-State Motor Transit Company training and qualification plan, their drivers and escorts providing protection for security shipments of special nuclear materials must be trained, qualified and re-qualified annually in accordance with the Tri-State Motor Transit Company SNM Security Transportation Manual 2-A and NRC generic license conditions of May 14, 1976.

Sincerely,

George W. McCorkle, Chief
Physical Security Licensing Branch
