Re: Freedom of Information Act
Request

Dear Sir:

Under the provisions of the Freedom of Information Act, 5 USC 552, I am requesting access to any and all contracts, agreements, authorizations, releases or whatever documents pertain to the empowering of the Arizona Atomic Energy Commission to act within the State of Arizona in the place and stead of Nuclear Regulatory Commission on matters involving nuclear matters.

I am especially interested in ascertaining what terms or conditions have been imposed on the Arizona AEC as a condition to its exercise of this power.

If fees for searching or copying records exceed the \$20.00 I have enclosed herewith, please inform me before you fill the request.

If all or any part of this request is denied, please cite the specific exemption which you think justifies your refusal to release the information and inform me of the appeal procedures available to me under the law. I would appreciate your handling this request as quickly as possible and I look forward to hearing from you within ten days as the law provides.

Very truly yours,

Emojean Girard
