RE: New Jersey Department of Energy
Jersey Central Power & Light
Rate Case (TMI)

Dear Sir:

This office has been appointed Special Counsel to the New Jersey Department of Energy in reference to an Application of the Jersey Central Power & Light Company for an emergency rate increase before the New Jersey Board of Public Utilities Commissioners stemming from the reactor incident at Three-Mile Island near Harrisburg, Pennsylvania.

In preparing this matter we find that we need the following documents:

- a. Any and all Regulatory Guides - relating to nuclear reactor safety which would be applicable to the reactor and facility at Three-Mile Island, Pennsylvania.
- b. A copy of the Statutory Report to the Congress on abnormal occurrences relating to the Three-Mile Island incident.
- c. Copies of Transcripts of NRC investigatory proceedings relating to the Three-Mile Island incident.
- d. Any additional information or materials which your office can make available concerning this incident pursuant to the Freedom of Information Act. 049 170
