MR HAROLD DENTON
NRC
WASHINGTON DC.

DEAR MR. DENTON:

I THOUGHT YOU MIGHT ENJOY A SOUVENIR
OF MAINE YANKEE.

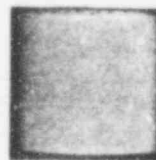

THESE BALLS HAVE BEEN ESCAPING FROM
A "CLOSED" SYSTEM FOR ABOUT 1 1/2+ YEARS.
CHILDREN FIND THEM ON THE SHORE AND
PLAY WITH THEM.

IF MAINE YANKEE CAN'T CONTAIN THEIR
1" BALLS, HOW CAN THEY EXPECT US TO BELIEVE
THEY CAN CONTAIN SUB-ATOMIC PARTICLES?

SINCERELY

NICK ROTH
