Dear Mr. Hudgins:

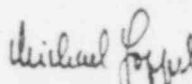

Subject: Eberline Instrument Corporation application SO #6757
dated June 18, 1979 for the United Kingdom, XSNM01528

We certify that the material mentioned in this application, namely 0.1 microgram of plutonium 239, and the transfer of this material will be subject to all terms and conditions of the Additional Agreement for Cooperation, dated July 25, 1960, as amended.

Further, we certify that Eberline Instrument Co., Ltd., Dorking, Surrey, England, as ultimate consignee, is authorized by EURATOM to receive and possess this material pursuant to the aforementioned Agreement for Cooperation.

The material, electroplated on a stainless steel disc, will be used for the calibration of radiation detection instruments at the Eberline Instrument Co, Ltd. - United Kingdom.

Sincerely,

M. Goppel
