Dear Mr. Rawl:

This is in regard to the application submitted to you on July 9, 1979, by the General Electric Company requesting Type B(U) certification for the RA-series packages. Based on our review of the application, we have concluded that the packages (RA-series) authorized by NRC Certificate of Compliance No. 4986 meets the IAEA requirements for Type B(U) packages.

Sincerely,

A handwritten signature in cursive script that reads "Charles E. MacDonald".
